BEFORE

- Social media profiles not handled properly
- No separate profile for office activities
- Google reviews not collected or encouraged
- Weak presence on LinkedIn (no page, no MD profile)
- No structured content plan (posts, videos, UGC missing)
- No tracking of engagement or reach

- Created separate office & business profiles
- Started Google review collection
- Posting regularly (photos, videos, UGC)
- Built LinkedIn page + MD profile
- Implemented Local SEO strategies
